Find your way to winter fun guided by the rising of the sun.

**N 42° 38.132 W 088° 06.755**

If your group is large and needs a drink, "D" site you seek is at Sunrise.

**N 42° 37.896 W 088° 07.694**

Down the hill to the boat ramp you'll head. Look "well" to the right towards the pump house shed.

**N 42° 37.703 W 088° 08.775**

If soil forming is what you want to see, you'll need Lot E. Head north to the hedge then veer right to the edge.

**N 42° 38.160 W 088° 10.059**

A-hiking you will go but not as far as the glaciers. Start at Lot G, follow the trail. A right before you hit the hill and you'll end at the till. (1 mile round trip)
