

## All RBSRA Campgrounds are Open!

We are happy to announce that as of Thursday, May 23<sup>rd</sup>, all RBSRA campgrounds are open!

With both Sunrise and Sunset campgrounds open, Bong offers campers a total of 214 campsites, 57 with electric hookups. Large groups can book one of the six group campsites and Bong also offers a fully accessible cabin.

All showers will be open; the park dump stations opened in April. Firewood is sold year-round at the Molinaro Visitor Center/Headquarters parking lot through a firewood vending machine which is open 24/7. You can pay with any major credit card or debit card, but sorry, not by cash.

For RBSRA camping rules, maps of Sunrise Campground and Sunset Campground and additional information on our accessible cabin for people with disabilities, please click on the following link: <https://dnr.wisconsin.gov/topic/parks/richardbong/recreation/camping> Just a reminder to be considerate to your fellow campers: pets are not allowed in the bathrooms/shower areas and dishes should not be washed at the drinking fountains.

All sites must be reserved via the DNR Camping Reservations system at: <https://wisconsin.goingtocamp.com/>

Stop by the Visitor Center and pick up a brochure on BNA Events or click on the Calendar of Events on this website. Join us on Saturdays at 2:00 pm for our Live Snake Encounter at the Visitor's Center.

In addition to this website, other events are listed on our Bong Naturalist Association FaceBook page at <https://www.facebook.com/bongnaturalistassociation/> and on the DNR/RBSRA calendar at <https://dnr.wisconsin.gov/events?location=Richard%20Bong%20State%20Recreation%20Area>
